It now appears we are provided with just a value of the payment made to the PCC made under the expenses payment of the Chief Officer Payroll payments.

**REQUEST FOR INFORMATION-**

We were promised open, honesty and transparency. We do appear to have gone backwards because we use to have a breakdown by date how the expenses were accrued.

Therefore, with this background of claims date & data could you please provide a complete breakdown of claims submitted by the PCC since he took over in August 2021 in particular for :

January 2022 --- £118.80

February 2022 --- £151.65 Mileage & £38.20 Fares

**Response:**

Please note I have been advised that the OPCC's Office are aware that the website requires some updating. Once the successful applicant who has recently been appointed as the Commissioner's Executive Assistant has started and received the appropriate training the website will be updated.
