## STOP SEARCH UPDATE

The police have the power to stop and search you if an officer has reasonable grounds to suspect that you have been involved in a crime, or think that you are in possession of a prohibited item. Prohibited items include drugs, weapons and stolen property. To find out more about stop and search, please visit [this section](#) of the Wiltshire Police website. You can also find more information on our independent scrutiny arrangements by visiting our force website.

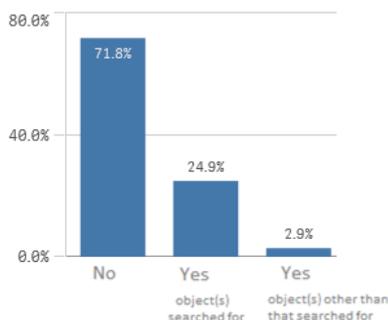

During the 12 months leading to August 2020, 245 stop and searches were conducted in the Swindon North, East & Rural area. The charts below go into more detail about these searches.

Stop and Searches by Grouped Reason

Of the 245 stop and searches recorded in the Swindon North, East & Rural area, 83.7% related to a search for controlled drugs. May 2020 saw the highest volume of stop and searches conducted in this area.

Stop and Searches by Object Found

During 71.8% of these searches, no object was found. In 27.8% of cases, an object was found. The remaining 0.4% did not have this information recorded.

Of these cases:

- 75.5% resulted in a no further action disposal;
- 23.6% resulted in police action being taken;
- 12.2% resulted in an arrest.

#### Stop and Searches by Ethnicity of Subject

The subject of a stop and search does not need to define their ethnicity to the searching officer.

Of the stop and search subjects who defined their ethnicity as:

- White – 179 stop and searches in total. An object was found in 23.5% of cases and 21.3% resulted in police action;
- Asian or Asian British – 25 stop and searches in total. An object was found in 44% of cases and 28% resulted in police action;
- Mixed Ethnicity – 21 stop and searches in total. An object was found in 33.3% of cases and 28.6% resulted in police action;
- Black or Black British – 8 stop and searches in total. An object was found in 25% of cases and police action was taken;
- Chinese or other ethnic group – 1 stop and search. An object was found resulting in police action.

## HIGH LEVEL PCC UPDATES

- Proactive policing:** In addition to the new intakes of police officers that I covered in my update last month, I have been pleased to see the Force align resources to proactively carry out its enforcement of the Coronavirus Regulations through the launch of Operation Adamo. It is crucial that we continue to reassure the communities we serve that we are acting on intelligence and reports received of breaches of the restrictions and having dedicated PCSOs to focus on responding to these issues is a great step in demonstrating how we will continue to police the pandemic proportionately and enforce the rules where necessary.

**October 2020**

The additional funds generated by the precept increase earlier this year have allowed investment to be made into improving proactive policing – the launch of Operation Fortitude (described below) was made possible thanks to the additional income generated by the precept increase and the Force has also recently bolstered its support to tackling rural crime through a new look Rural Crime Team. We live in a predominantly rural county so the policing service must be tailored to the needs of our diverse communities. While it is crucial to prevent violent crime, there is a specific need to protect rural communities from the distinct threats they face. In my Police and Crime Plan, I promised to protect rural communities. The introduction of additional dedicated officers to the Rural Crime Team will allow the Force to run extra operations, take geographical responsibility of areas to gain further intelligence, and reassure our communities that we are committed to tackling rural crime.

- **COVID19 update:** We continue to be impressed by the high levels of compliance with the current restrictions within our communities. At the end of last month we published the latest summary showing the number of Fixed Penalty Notices we have issued and it is good to see that the volume of FPNs issued remains low – this demonstrates the Force's emphasis on engaging, educating and encouraging people to comply with the rules continues to have the desired effect in protecting our communities. This covers the period from 24 July to 27 September 2020 and you can find it on both [my website](#) as well as the [Wiltshire Police site](#).
- **Celebrating Black History Month:** I am proud to see us teaming up with partners from Wiltshire Council to celebrate Black History Month with a conference on Tuesday 20 October featuring talks from leading author Cherron Inko-Tariah MBE, Rob Neil OBE, Head of Embedding Culture Change at the Department for Education and Organisational Psychologist John Amaechi OBE, the first British basketball player to have a career in the US National Basketball Association. This promises to be a fantastic event - it's open to all although spaces are limited – [for details see the Eventbrite booking site](#). Black History Month is a wonderful opportunity to celebrate the diversity of people who live and work in our county as we continue to strive to ensure that Wiltshire Police truly reflects the communities of Wiltshire and Swindon.
- **Modernising the policing estate:** In order to ensure that the buildings we use within policing are sufficient for 21<sup>st</sup> century policing and remain efficient and cost effective I have a 5 year Estates Strategy that outlines how we plan to modernise the buildings we need, rationalise the ones we don't and work with our partners to have shared public facilities wherever possible. We are making good progress against the plan despite the challenges of Covid – we recently completed the refurbishment of Royal Wootton Bassett station, we are making progress in providing a new and improved site for our Warminster CPT and last month we announced plans to work with Tidworth Town Council on the development of a new Civic Centre. The Covid pandemic has changed, at least in the immediate term, the way that we work and some of these changes may endure once life has returned to relative normality. It's therefore important that the Estates Strategy continues to meet the needs of our operational and

support staff across the county – I will be publishing an update to the Strategy in due course.

## HIGH LEVEL FORCE UPDATES

- Operation Adamo:** This month, as part of our local response to the challenges of the Covid-19 pandemic we launched Operation Adamo. Under the operation, Police Community Support Officers will be carrying out high-visibility proactive patrols to encourage members of the public to comply with the COVID guidance and regulations, and where appropriate take enforcement action. Wiltshire Police has tasked dedicated groups of PCSOs with monitoring behaviour and responding to reports from the public. This proactive, targeted work, will also be supported by our frontline police officers, staff and special constables, who will continue to work hard to police the restrictions alongside their everyday duties, as they have been doing since the regulations started. It is clear from our engagement with the communities in Swindon and Wiltshire that, while the vast majority of people were complying with the Covid regulations, more needed to be done to target the small minority who were deliberately and repeatedly flouting the rules. These proactive teams of PCSOs allow us to respond swiftly to concerns from the public and also carry out high-visibility patrols of areas or businesses where we have received information about repeated breaches.
- COVID19 update:** We are pleased to report that we are still seeing a very high level of compliance within our communities with regards to the Coronavirus Regulations. Our officers continue to focus on engaging with our communities first and foremost and, for the most part, this continues to be effective. To help ensure we remain proportionate in our approach, we are recording our activity where we educate, encourage, engage and enforce (and on the latter point all FPNs are considered and reviewed through an independent scrutiny panel). The Government has now brought in tougher penalties for those who do not wear face coverings in areas where it is now mandated to do so and for those who organise, facilitate or attend any large gathering or unlicensed music event. These types of unlawful events place the public at a high level of risk and are likely to spread the virus. If we come across these types of events we will actively look to use our powers. Coronavirus remains a deadly threat and it should be everyone's priority to stop the spread of the virus and save lives.
- Tackling serious offending in our communities:** This month we launched 'Fortitude' – a newly created unit tasked with proactively targeting the most serious offenders in our communities including county lines offenders, prolific offenders and others identified as posing high risk to communities. This initiative has been made possible thanks to the public agreeing to the Police and Crime Commissioner's increase in the police precept which has allowed the recruitment of a further 16 front line police officers. Crimes carried out by even a few prolific offenders are felt throughout a community; by specifically targeting repeat offenders and those who commit the most crimes in our communities, we hope to see a dramatic impact on criminality within our communities. Fortitude is a long-term initiative and teams will be working with colleagues to bring

about a long-term change in the communities where they are based - to meet the priorities set out in the PCC's Police and Crime Plan.
